West Columbia, SC 29172

CFM® Refresher Course

The South Carolina Association for Hazard Mitigation (SCAHM) is proud to offer the CFM® Refresher Course on March 14, 2012 in Columbia, SC. This workshop is an excellent opportunity to earn 6 CORE Continuing Education Credits (CECs) for CFMs. The registration fee for the course is \$40. The workshop is recommended for seasoned floodplain managers with more than 2 years of experience who have read FEMA 480 and have studied the materials on the CFM® Exam Prep guide from ASFPM's website prior to attending. The class is not limited to those wanting to take the CFM exam.

For those preparing to take the CFM® exam, we offer this as a refresher study workshop. This full-day review is not a replacement for studying, and **attendees should not expect to complete this workshop and pass the CFM® exam without additional study.**

Registration Form

_____ Name	_____ Title
_____ Organization/Company	_____ Email
_____ Address (Street)	
_____ City, State, Zip	
_____ Phone	_____ Fax
