

Greetings to All,

Each year, the South Carolina Association for Hazard Mitigation (SCAHM) brings together hazard mitigation professionals in engineering, planning, all levels of government, private business, academia, conservation organizations and concerned citizens to learn about and share the latest research, techniques and programs designed to better understand and manage the many problems caused by disasters.

This Spring SCAHM will join others interested in hazard mitigation across the state for our annual conference to be held on **March 9-12, 2010**, at the Ocean Drive Beach & Golf Resort, North Myrtle Beach, SC.

Please complete the registration form and return to us ASAP. We request all registration forms be received no later than **February 22, 2010** in order to provide a realistic number to the facility. Hotel space is limited so make reservations early. If you have not updated membership dues for 2010, please complete the membership form and return with your membership fee.

The CFM exam will be offered at the conference on March 9th from 3:00 – 6:00 PM. Those wishing to take the exam must register through ASFPM prior to March 9. The CFM exam application can be downloaded from the ASFPM website at <http://www.floods.org/pdf/certapp.pdf>. A prep guide for the exam is available on the ASFPM website at <http://www.floods.org/Certification/certguid.asp>.

There will be an informal golf outing on March 9. If you are interested in participating, please contact me at 803-785-8121 or cstone@lex-co.com to sign up.

This will be an excellent opportunity for you to meet new and interesting people from throughout these areas. Bring your business cards, and don't miss this event, **March 9-12, 2010**, at the Ocean Drive Beach & Golf Resort, North Myrtle Beach, SC. We look forward to seeing you soon.

Sincerely,

Chris Stone

Chris Stone, CFM
Chair, South Carolina Association for Hazard Mitigation
